

Effective Relief of YOUR Pain

Tewantin Physiotherapy & Sports Injury Centre has been providing Personalised Professional Physio Care to clients in Tewantin and the wider Noosa area since 1991 and has steadily grown from sole practitioner to the current dynamic team that practice today. It has a **reputation built on results** which makes the clinic among the best Physiotherapy Centres on the Sunshine Coast.

The team at Tewantin Physio are all University Qualified professionals and include; Adam Tysoe, an APA titled Sports Physiotherapist, who has been the practice principle for 10 years; Trisha Wing, who has expertise in Women's Health and has practiced in Tewantin for the past 25 years; and Shane Watson, an APA titled Musculoskeletal Physiotherapist. This team has close to 70 years of combined expertise in caring for people of all ages, helping them overcome their ailments and reach their fullest potential.

The majority of their clients are self-referred. They choose to use Tewantin Physio because they have been pleased with the outcomes that they've achieved in the past, or because they have been referred by family and friends who were so pleased with the service. The Physiotherapists at Tewantin Physiotherapy & Sports Injury Centre have a **passion for treating** and preventing pain, injuries, movement dysfunction and women's health issues. They are focused on achieving the best possible

results for all clients. **An exceptional standard of Physio care** will be provided and you can be confident that they are dedicated to providing the most effective and up to date assessment techniques to develop the best treatment and management plan for each individual client.

You will receive a thorough examination, explanation, appropriate individualised treatment, recommended plan and, if necessary, further referral. The entire treatment session is professionally delivered by the Physiotherapist – **one on one**. The Physiotherapy team is trained to understand the challenges of overcoming injury, pain and dysfunction in all aspects of life, so you can be assured that they are committed to giving you **answers and direction** for your recovery. Their treatment recommendations are tailor made to suit each patient individually and **they treat and respect their clients like members of their own family**.

So if you have an injury, an ongoing complaint or need Physiotherapy advice, try the friendly, caring, professional team who provide personalised Physiotherapy care at Tewantin Physiotherapy & Sports Injury Centre.

For the month of November, **receive a FREE tube of natural anti-inflammatory cream** with any initial consultation, when you bring in this article.
